AIAAJ - American Institute of Aeronautics and Astronautics Journal  
AIP - American institute of Physics  
Ann. Phys. Suppl. - Annales de Physique Supplement  
CCP/7 - Collaborative Computational Project No 7  
CDS - Centre des Donees Stelaires  
CP stars - Chemically peculiar stars  
C. R. H. Acad. Sci. - Comptes Rendus Hebdomadaires de l'Academie des Sciences  
DIAM - Dynamique des Ions, Atomes et Molecules  
ECAMP - European Conference on Atomic and Molecular Physics  
ECAP - European Conference on Atomic Physics  
ECR - Electron Cyclotron Resonance  
EGAS - European Group for Atomic Spectroscopy  
ERAM - European Regional Astronomy Meeting  
ERMA - European Regional Meeting on Astronomy  
ESCAMPIG - European Study Conference on Atomic and Molecular Physics of Ionized Gases  
ETF - Elektrotehnički fakultet  
IAGA - International Association for Geomagnetism and Aeronomy  
IAU - International Astronomical Union  
ICPIG - International Conference on the Physics of Ionized Gases  
ICSLS - International Conference on Spectral Line Shapes  
IVTAN - Institut Vysokikh Temperatur Akademii Nauk  
JETP - Journal of Experimental and Theoretical Physics  
JQSRT - Journal of Quantitative Spectroscopy and Radiative Transfer  
J. Res. Phys. - Journal of research in Physics  
LGU - Leningradskij Gosudarstvenij Universitet  
(Kongres) MFAJ - (Kongres) Matematičara fizičara i astronoma Jugoslavije  
NBS - National Bureau of Standards  
NIST - National Institute of Standards and Technology  
PMF - Prirodno-matematički fakultet  
Serb. Astron. J. - Serbian Astronomical Journal  
Sing. J. Phys. - Singaporean Journal of Physics  
SPIG - Symposium on the Physics of the Ionized Gases
