

ASTRONOMICAL SOCIETY „ALPHA“ – NIŠ

MIODRAG SEKULIĆ

*AS „Alpha“, Dept. of Physics, Faculty of Philosophy, University of Niš,
P.O.Box 91, 18001 Niš, Yugoslavia*

Abstract. Astronomical Society „Alpha“ operates in Niš, with about fifty members taking active part. The Society is engaged in organizing of popular lectures, practical work (observing and tracking of comets and meteor showers, astrophotography etc.) and instructing its younger members in manipulating astronomers' equipment. The „Alpha“ Society is planing the erection of a city observatory.
