

## **ASTRONOMICAL CONTESTS IN 2019 AND 2020**

During 2019, 2020 and in early 2021 the National Astronomical Olympic Committee (NAOC) organized preparations of pupils for astronomical contests, contests within Serbia on regional and republican levels, as well as the participation of the pupils from Serbia in International Olympiad on Astronomy and Astrophysics, Global electronic Competition on Astronomy and Astrophysics and Saint-Petersburg Olympiad. In 2019 NAOC published two books.
