**PREPARATION OF THE WORK "PRACTICIZING ASTRONOMY"  
BY NENAD JANKOVIĆ FOR THE PUBLICATION  
AND THE AUTHOR'S LANGUAGE**

The paper about the work on the manuscript "Practicizing Astronomy" provides biographical information about its author Nenad Janković, about finding the manuscript, its technical elements, about introducing subtitles and other elements for its presentation and preparations for its publication.

The second part provides a review of the author's "anachronistic" expressions, which are primarily characterized by the frequent use of the aorist.

Finally, the text "Practising Astronomy" by Nenad Janković was published.
