

DORĐE PETKOVIĆ

GIFTED BY THE STARS AND REALIZED BY POEM

On the occasion of the conference "Development of Astronomy among Serbs XIII", this poetic publication was prepared - a fanzine with deconstructed sonnets with a tail and an acroverse in the mirror, dedicated to the memory of the poet Dragomir Bodić (Ćićevac, 1922-Belgrade, 1998).

Keywords: cosmic poetry, astronomy in culture
