

PROFESSOR DR ZAHARIJE BRKIĆ PRIZE

The prize was established by the family of the professor Zaharije Brkić after his death. The intention was to stimulate students and to reward the best one in a generation. The first prize was awarded in 1981. When the initial capital lost its value during inflation the professor Brkić' son engineer Slobodan Brkić continued to support the fund himself. After his death his daughters continued tradition. Up to now 25 students were awarded. Majority continued their carriers in astronomy, with success, many of them abroad.
