

„COSMIC FLOWER“ OF YOUTH

After the introductory text on the history, growth and development of the literary club of the Faculty of Culture and Media of Megatrend University and on the thorough preparations for the participation of members on the Conference, we publish autopoetic contributions, with the selected verses of: Tamara Jakovljević, Marija Cekić, Bojana Kandić and Siniša Cvetković. In the final part of this work where mainly the most active members of the Literary Club are represented, contributions of Boris Kosović and Jovan Perać are published as well as the study of Nikola Cvetković on reflexive and cosmic lyrics of Marija Bras
