

SERBIAN NATIONAL TEAM ON THE THIRD INTERNATIONAL OLYMPIAD IN ASTRONOMY AND ASTROPHYSICS

Third IOAA took place in Tehran, Islamic Republic of Iran from 17th do 27th of October, 2009. The Serbian national team consisted of four competitors: Milena Milošević, Nataša Dragović, Filip Živanović and Aleksandar Vasiljković. The team leaders were dr Slobodan Ninković and Ivan Milić. Our students won three silver medals and Filip Živanović also won a special reward for exceptionally good success in observational part of the competition. Both leaders and students have very good impressions concerning IOAA and NAOK plans to send Serbian national team to the upcoming IOAA as well.
