

PROJECTED BUT UNREALIZED RELIEFS AND INSCRIPTIONS OF JAN DUBOVI ON OBJECTS OF ASTRONOMICAL OBSERVATORY IN BELGRADE

On three buildings of the Astronomical Observatory, above the entrance, there are three bas relief, which were not the work of the designer of buildings, architect Jan Dubovi, which does not mean that in his projects not exist and such decorative elements. Such reliefs, and decorative inscriptions in projects of Jan Dubovi, existing in the archive of Astronomical observatory but not realized, are the subject of this work.
