

# **ON THE WALL NEWSPAPER OF BELGRADE ASTRONOMICAL OBSERVATORY AND THEIR CONTRIBUTORS**

One minor activity that took place at the Astronomical Observatory in the period of a few years after World War II, is the subject of this paper. It is a wall newspaper, which is in line with the trend then, written and edited by the staff of the Institution. Since the actors of this specific activity – enabling to them some more freedom to express opinions and attitudes - are prominent astronomers and other staff of Observatory, it is interesting to see about what what and how they have written
