

## **REVIEW OF WRITING OF DRAGAN TRIFUNOVIĆ ABOUT MILUTIN MILANKOVIĆ**

With this work we wanted to draw attention to all those, who are interested in " life and work " of the great Serbian scientist Milutin Milanković, if they read the books of historian of science Dragan Trifunović, *Quiet and earnest prayer of Miloš Radojčić* and *Correspondence of Milutin Milanković*, on his mostly incomprehensible and unfounded on facts portrayal of Milutin Milanković. Consequently, such statements of Trifunović are presented and commented.
