

ONE EXAMPLE OF IGNORING OF COOPERATION OF MILUTIN MILANKOVIĆ WITH ASTRONOMICAL OBSERVATORY IN BELGRADE

How an historian of science and the founder and president of the Society of "Milutin Milanković" respects the postulates of the history of science, and how, selectively in his books entitled "Milutin Milanković: A Traveler through the Universe and Centuries", presents, in fact omits, well-known facts and details about engagement and cooperation of Milutin Milanković with the Astronomical Observatory in Belgrade, as well as other issues, will be discussed in this paper.

Key words: Slavko Maksimović, Milutin Milanković, Astronomical Observatory
