
"14th Serbian Conference on Spectral Line Shapes in Astrophysics"
June 19-23, 2023, Bajina Basta, Serbia

S E C O N D A N N O U N C E M E N T

Dear participants,

Please find below a few practical information.

To help us with the logistics, please fill in the following form:

https://docs.google.com/forms/d/e/1FAIpQLSfaR98aYuMfwVYY7ZEwSuVU9CIJQi6xomVDIZxG7HHyIVDpTA/viewform?usp=sf_link

Also, you can find all information at the conference websites:

<http://servo.aob.rs/scslsa> or <http://scslsa.matf.bg.ac.rs>.

If you have some specific questions do not hesitate to contact us.

Looking forward to seeing you soon in Serbia!

Kind regards,

The Organizing Committee

THE PROGRAMME

The preliminary programme of the conference is available online:

<http://servo.aob.rs/scslsa/program14.html>

<http://www.scslsa.matf.bg.ac.rs/program14.html>

THE FORMAT OF THE CONFERENCE

The majority of participants will attend the conference in person; however, we have a few participants who have asked us to participate online. Therefore, we are going to organize a blended format for the conference. Also, we are going to record the talks. If someone would not like to be recorded, please let us know.

THE HOTEL

If someone did not make a reservation of the room in the Hotel Drina in Bajina Basta, please make a reservation as soon as possible (more details at <http://servo.aob.rs/scslsa/accomodation14.html>).

TRANSPORTATION

We have organized transportation by bus to the Conference site on the day of arrival and back to Belgrade on the departure day.

On Monday, June 19th, the bus will be starting at 10:30 from the Observatory (Volgina 7), and will be collecting participants from the airport at noon.

The meeting point at the airport will be announced later, since the airport area is under reconstruction, so for the moment we are not sure where it will be allowed for bus to stop for a while.

On Friday, June 23rd, we will start our journey back after lunch. We expect to be at the airport at about 5 PM, and at the Observatory at about 6 PM.

Please have in mind these information while organizing your travel.

For those not taking the organized transportation, there is a regular bus connection, from the Belgrade Central bus station (BAS, address :Železnička 4, Beograd) to Bajina Basta, a few times per day at: 09:00, 13:45 and 15:15 (<https://www.polazak.com/en/timetable/Beograd-Belgrade-RS/Bajina-Basta-RS/19.06.2023./00:00/>) and from Bajina Basta to Belgrade at 06:15, 07:30, 15:00, 18:15 (<https://www.polazak.com/en/timetable/Bajina-Basta-RS/Beograd-Belgrade-RS/23.06.2023./>).

Additionally, there is a possibility to rent a car at the Belgrade airport. There are plenty of rental services in the airport building. Please follow the link:

https://www.beg.aero/eng/parking_access/transport/car_rental

To reach the city center from the airport, one can use a public transport (bus, mini bus, taxi).

All necessary information with price list could be found at:

https://www.beg.aero/eng/parking_access/transport/public_transportation

https://www.beg.aero/eng/parking_access/transport/taxi_service

THE PROCEEDINGS

We would like to remind you that the proceedings will be published in Special Issue of “Physics” journal, entitled as “*Spectral Line Shapes in Astrophysical and Laboratory Plasma*”.

The dead-line for paper submission is **July 31st**. (more details at

<http://servo.aob.rs/scslsa/proceedings14.html>).
